**RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS**

In response to the Notice to File Corrected Application Papers, mailed May 11, 2001,  
Applicants submit herewith:

- a) A copy of the Notice to File Corrected Application Papers;
- b) Twenty-nine (29) sheets of formal drawings

The undersigned acknowledges receipt of the Notice to File Corrected Application Papers. This Notice raised an objection to the drawings (asserting that more than one figure is present and each figure is not labeled "Fig." with a consecutive Arabic numeral or an Arabic numeral and capital letter in the English alphabet), and required the submission of substitute drawings. The requirement for the submission of substitute drawings is respectfully traversed, for reasons discussed below.

The originally filed drawings were in compliance with 37 CFR 1.84(u)(1) and were labeled "Fig." with a consecutive Arabic numeral and capital letter in the English alphabet. A telephone conference with Ms. Monica Young of the Initial Patent Examination Division confirmed that the Notice had been sent in error and a rescinding notice would be sent. When no rescinding notice was received, a second telephone conference was held with Ms. Young, who advised applicants to re-send the drawings without change.

No fee is believed to be due at this time. However, the Commissioner is hereby authorized to charge any fee or credit any overpayment to Deposit Account No. 02-0384 of Baker Botts L.L.P.

Respectfully submitted,

BAKER BOTTS L.L.P.
